snacks will
be served**

Board games will be provided or you can bring one of your own!
Substance use/ prevention information and information on making good decisions will be available .
Coalition members will also be available to help answer questions and play game too!

Please RSVP to substancefree.bentoncounty@gmail.com or 320-362-4716 so we can plan snacks accordingly.

The Benton County Substance Use Prevention Coalition is taking active steps toward addressing the issue of substance abuse in our community. *We believe it is important to have healthy and successful youth in Benton County. We will help youth to achieve these goals by empowering them to make safe and healthy choices to be substance free through prevention, education, and promotional efforts.*
