Game Setup

In this packet, you will find:

- 2 place value game boards
- 5 game card pages (numbers 0-9)

Other materials you will need:

- Envelopes or folders for storing the game

Printing and laminating:

1. Print two of the place value mats (either through hundreds or through thousands).
2. Print all of the game card pages. You may print the cards double-sided (with the “Number Cards” backs) or single-sided with just the numbers.
 - Depending on which game you are playing, you may want to print the card pages more than once so that you have a bigger deck.
 - Though not required, printing the cards on card stock or thicker paper will make them last longer.
3. Cut out each of the game cards on each page.
4. Laminate the game cards and the game mats so that they will last you for years to come.
5. Place the game mats and game cards in an envelope or folder for storage.
