

Who is Granite City Aquatics? GCA is a local competitive swim program for athletes 6-19 yrs of age who have a love of swimming and a hunger to improve their skills! We focus on improving technique to help eliminate the chances of injury and to create efficiency in the water.

Why Granite City Aquatics? Granite City is lead by Head Coach Annika Bordak and supported by college level athletes in assistant coaching positions. At GCA we encourage a fun, safe practice environment for a wide variety of swimmers at different ability levels. We currently have athletes just starting out who can only make one length of the pool with out stopping, all the way to athletes who have placed at High School State and are now qualifying for Club Zones and Speedo Sectionals. At GCA we have a place for everyone. We are more than just a swim team, we are a swim family!

GCA offers the unique opportunity for High School athletes to not only train with their competitors but to also learn from their competitors as we have athletes from Apollo HS, Tech HS, Sauk Rapids-Rice HS, Melrose, Albany, Rocori, Sauk Centre, Alexandria, Cathedral-St John's Prep, and College athletes returning home for the summer! High School swimming has an incredibly short season and has really come down to what are athlete's doing outside of season to improve? GCA gives athletes the opportunity outside of HS Season to work on their skills, build endurance, improve speed, and learn technique to help eliminate injuries!

Our Summer season will start Tuesday, June 1 and run through July 30th.

Summer Practice HS Groups:

AM 1 > M-F > 6:30-8:00 am (only 4 spots remain!)

AM 2 > M-F > 7:30-9:00 am
