

Bullying Prohibition Policy Summary

The Sauk Rapids-Rice School District enacted a Bullying Prohibition Policy designed to prevent and respond to incidents of bullying, cyberbullying, and related prohibited conduct. The Policy prohibits any act of bullying on school premises, school district property, at school functions or activities, or on school transportation. School policy also applies to an act of cyberbullying that occurs on school premises or through the use of school resources as well as cyberbullying that occurs off school premises to the extent such acts substantially and materially disrupt student learning or the school environment. Retaliation for asserting, alleging, reporting or providing information about an act of bullying or cyberbullying or knowingly making a false report of bullying similarly is prohibited.

The Sauk Rapids-Rice School District encourages students, parents, employees and others impacted by bullying to work together to intervene and prevent such acts. Any person who believes he or she has been the victim of bullying or similar prohibited conduct under the Policy or any person with knowledge or belief of conduct that may constitute bullying should report the alleged acts immediately to their child's building principal (See List for Contact Information).

The School District takes bullying concerns seriously and will conduct an investigation of any report of bullying. Students, employees or other individuals who violate this Policy will be subject to consequences pursuant to school policies.
